JANUARY MINUTES

The January meeting of the O.M.F.C. was called to order at 7:50 p.m. at the Knox Presbyterian Church on Monday, January 4, 1982 with 46 members in attendance.

A motion to accept the minutes of the December meeting as published in the December Fliteline was accepted from Kas Katchin, seconded by Bob Hudson and passed.

Two first time attendees were recognized - Ted Brown and Dan Mitchell.

Under old business arising from the December meeting -

Club President Gerry Duncan reviewed the executive members latest proposal regarding the Finance and Planning Committee. Details of the proposal were outlined in the December 'Prez Sez' column of the Fliteline. A final vote on the motion to establish the Committee will be taken at the regular February meeting.

Under new business

Following the success of the recent Pattern Clinic held last November, Rod Elliott discussed plans to conduct an O.M.F.C. sponsored Pattern School on May 29 and 30. Interested members should contact Rod for details. Rod also mentioned that the O.M.F.C. will once again host the annual Southeast Zone Championships to be held on July 3 and 4 at the Drumquin Field.

Hans Reypa gave a visual presentation of R/C radio signals on the oscilloscope.

Rod Elliott gave part I of a presentation on 'How to trim your Aircraft'. Part II of his presentation will follow next month.

A film entitled Sky Dive was presented.

Club members were once again reminded that applications are being accepted for the 1982 membership. Last renewal date is the February meeting.

Show'n Tell - John Cook presented two models, a 40 powered, scratch built contestor and another home designed airboat.

The meeting was adjourned at 9:20 followed by the social hour.

D. F. Palen, Secretary/Treasurer

THE PREZ SEZ —

I was pleased that our suggestions for the new 'Finance and Planning Committee' were so readily accepted by the members in attendance at the January meeting. I will be taking nominations for the two elected positions at the February meeting, so come prepared. I am sure that the committee will be expecting input from the members. Many of you have talked to me about another or replacement field and many good ideas have been brought forward. Could we have these in writing and give them to Dave Palen for the committee's consideration? I will be asking for recommendations from the committee re an investment strategy in time for the April meeting, so let's have your ideas!

I would not be discharging my duties to you as your president if I did not mention something that has been bothering me for some time now. Almost every meeting we have someone making an oral presentation of some sort as a contribution to our program. Occasionally, I am disturbed by mutterings and whisperings from amongst the members while the talk is going on. This not only distracts me from what is being said but surely must also distract the speakers. I have been giving lectures to make a living for almost 20 years and such behaviour still distracts me let alone someone who is not accustomed to public speaking. How about it? Can we have a little more courtesy to the guys that are trying to help? Thanks.

Remember that Feb. 1st is the last chance to pay your club dues for 1982. If you fail to renew, it will cost you a re-instatement fee of \$30 plus the membership dues. No excuses please!

See you at the Feb. meeting. We have a good program planned.

WELL, IT LOOKS AS IF THE OLD TYPEWRITER HAS FINALLY GONE BYE-BYE, AND FACED WITH THE CHOICE OF PUTTING OUT \$350 FOR A NEW ONE OR BUYING A BRACE OF WEBER .61'S, WHICH WOULD YOU CHOOSE.

SO, IF ANYONE OUT THERE HAS AN OLD, OR NEW, WORKABLE MACHINE THAT THEY WOULD LIKE TO DONATE TO THE CLUB, IT SURE WOULD BE APPRECIATED. UNTIL THEN, PLEASE EXCUSE MY PRINTING.

THIS MONTH WE HAVE A FINE CONSTRUCTION ARTICLE SUBMITTED BY ONE OF OUR JUNIOR MEMBERS. IN PAST ISSUES WE HAVE BEEN TREATED WITH SOME EXCELLENT CARTOONS, ALSO SUBMITTED BY A JUNIOR.

THIS IS FANTASTIC, AND I WISH TO ENCOURAGE ALL YOU OTHER JUNIOR MEMBERS TO PARTICIPATE.

DON'T FORGET THE M.A.R. ANNUAL GENERAL MEETING, FEB. 14 AT HOWARD JOHNSON'S.
