OCT.'82

prez sez

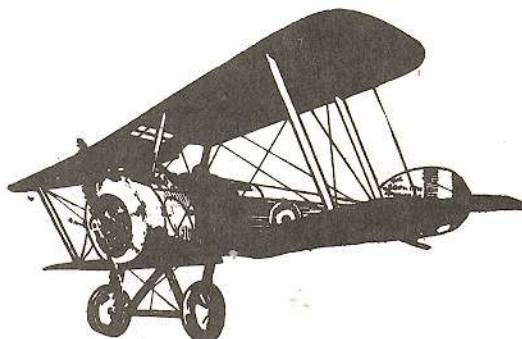

Our first meeting to begin the indoor season will be on Mon. Oct. 4 at 7:45 p.m. in the Knox Presbyterian Church in Oakville. For our new members, and we have quite a few, your Club attempts to put on an interesting and informative program and also conduct its business at these meetings. You will also get a chance to meet other members and exchange views. So please come out and participate: bring your ideas, your problems and your planes. These are enjoyable evenings.

After the A.G.M. in November we are suggesting a re-printing of our constitution for the following reasons:

1. We have had a dues increase.
2. We have increased our membership to 120 members.
3. We created the position of Chief Instructor.
4. At the October meeting we will be proposing a reduction in dues for those joining after Aug. 1 to \$25 for the rest of the year plus of course the \$30 initiation fee.
5. Many new members need a copy of the constitution.

At the A.G.M. we must elect a new slate of officers for the coming year. As in the past, I will try to find members who are willing to let their names stand and this list will be in the October Fliteline. Again, this will be just to get things going. Nominations will also be taken from the floor and elections held for contested positions. We need a full executive to run the Club: my feeling right now is that we might end up with a completely new slate for 1983 so give this some thought please.

See you at the meeting.

LISTEN HEAR!

Well, summer is officially over, although there are still a few more weekends of good flying weather left for those that still have an airplane in one piece. I only pranged two this year but I made sure they were completely re-kitted, not like friend D.M. who re-built his aircraft again and again and again and... Now that all the contests are over I guess its time to reflect on the past season and begin planning our new birds and building that ultimate craft for next season. I will have two or three new creations to show off at Show & Tell this winter as I hope you do. Lets plan now for an extra special showing at the ' Beauty Contest ' this Spring.

See you at the meeting.
